

# Smith and Jones - Report

**Smith**      *(Knocks on door)*

**Jones**      Come in.

**Smith**      You wanted to see me.

**Jones**      Sit down Smith.

*(Shows Smith Report)*

This report isn't good enough.

**Smith**      What? But I've spent weeks working on it.

**Jones**      That's too bad Smith. It simply doesn't measure up.

**Smith**      Aren't you at least going to talk about it?

**Jones**      No Smith. We're just not going to use it. Goodbye.

**Smith**      It was too good for you anyway.
